Media update: UNR Med Student Outreach Clinic open Tuesday, March 10 and Saturday, March 14

RENO, Nev. — The University of Nevada, Reno School of Medicine (UNR Med) will offer no-cost Student Outreach Clinics, as scheduled, this week. UNR Med offers the free clinics in a continuing effort to assist the region's medically uninsured with needed health care services.

The SOC will **NOT** be treating patients with acute symptoms or providing COVID-19 screening or testing. Information on COVID-19 can be found at washoecounty.us/covid19. Residents with questions or concerns are encouraged to contact the Washoe County Health District (WCHD) at (775) 328-2427 Monday through Friday, 8 a.m. - 5 p.m. or dial 311 during after-hours. If you are sick with COVID-19, or suspect you are infected with the virus that causes COVID-19, follow the steps recommended by [WCHD](#) to help prevent the disease from spreading to people in your home and community.

The following SOC clinics are available:

General and Children's Clinic:

- Tuesday, March 10 - 6 p.m. to 8 p.m.

Geriatric (55+) and Dermatology Clinic:

- Saturday, March 14 - 8 a.m. to 10 a.m.

Patients are seen on a first-come, first-serve basis and must sign in by 10 a.m. for Saturday clinics and 7:30 p.m. for Tuesday clinics. No appointments are necessary and Spanish translators are available at all clinics. [Answers to frequently asked questions about UNR Med's Student Outreach Clinics are available.](#)

Updates on future Student Outreach Clinics dates and times will be announced and posted to med.unr.edu/soc/clinics.
